特技、自己PRなど I am organized and self-motivated Software Engineer graduate with around 3 years combined internship and professional experience. I have worked with data engineering projects for 2 years with GCP Buckets as well as BigQuery for SQL query and database management. I have developed ETL pipelines and deployed them on GCP. I am a part of daily conversations with Business users for User Acceptance Testings as well as requirement gathering meetings. I have obtained a score 8 in IELTS for English Profeciency.	通勤時間	
	- 約 時間 分	
	扶養家族 (配偶者を除く)	
	- 人	
	配偶者	配偶者の扶養義務
有 ・ <input checked="" type="radio"/> 無	有 ・ <input checked="" type="radio"/> 無	

本人希望記入欄 (特に給料・職種・勤務時間・勤務地・その他についての希望などがあれば記入)
I am flexible with any work location and even hybrid mode. I prefer working as a developer. The salary package is negotiable within the average market range.
